

NOTES ON INTER-COUNTY FORM

The form is divided into sections.

The Player must fill in all of Section A

If the player wishes to declare for his home county he should also read Section C.

The rules governing Inter-County transfers are Rules 31-41 of the Official Guide and if in any doubt the relevant rule should be consulted.

The granting of a transfer at any level doesn't make a player legal, in the event of his not having declared certain information which could render him illegal.

A person who is under suspension is not eligible to transfer.

Notes on Section A

- (1) Put in the full name in IRISH, with the English form of the surname in brackets.
- (2) Name the county in which you are now resident and competing.
- (3) Name the club with which you now play.
- (4) Name the county and club that you wish to transfer to.
- (5) Give the full address of your new permanent residence and the period of residence at this address.
- (6) Give the date of your last championship and league games and the grade (i.e. Senior, Junior etc.) in both codes.
- (7) Sign the form in IRISH and fill in the date (see R.11).
- (8) Have the form signed by the Secretary of the Club and the County in which you wish to play.

If you wish to declare for your home county, now read the notes re. Section C and then fill in that section.

Section B

The Club and County Secretary should note that they have only **10 days** from the date of the issuing of the form to object to a transfer. In the absence of a response **THE COUNTY AT (2) WILL BE HELD RESPONSIBLE.**

A transfer can only be opposed on the grounds of illegality.

Section C

This section should be filled by a person transferring outside the home county after the last day of February, who wishes to declare for his home county.

- (1) Name the home county.
- (2) Fill in your name in Irish and date.

Section D

This is for the records of the Comhairle Cúige (Provincial Council) or Árd Chomhairle (Central Council).

Section E

The Rúnaí Contae (County Secretary) should detach this section and retain it as his record of the player's transfer history.
