

# NOTES ON INTER-COUNTY FORM

The form is divided into sections.  
The Player must fill in all of Section A

If the player wishes to declare for his home county he should also read Section C.

The rules governing Inter-County transfers are Rules 31-41 of the Official Guide and if in any doubt the relevant rule should be consulted.

**The granting of a transfer at any level doesn't make a player legal, in the event of his not having declared certain information which could render him illegal.**

A person who is under suspension is not eligible to transfer:
